WE entertsin a most lively sympathy with all those presses and politicians who are now busily engaged in what they call a reconstruction of A Promising Political Revolutionparties. When a block of old rookery buildings are consumed by fire, we usually hear the people say "we are glad of that," because it promises the construction of new ones more useful, A New Party Organizing on Live ornamental and creditable to the town. The destruction of the Radical party certainly indicates that something should be done to supply its place, for, although we are satisfied that hereafter the great Democratic party of the nation is to be intrusted in the work of governing the country, still it is desirable that we should have in the field a regular organized opposition. The present, we confess, promises little to the disbanded troops of

the old "Bourbon" Radicals, "dend "less yet of the Child Source of the Same that the Commissioners to fix up the Same that the Same that the Commissioners to fix up the Same that the Commissioners to fix up the Same that the Same that the Commissioners to fix up the Same that the S cals who desert the sinking ship of Radicalism, with garments dripping with corruption and stained with oppressions and cutrages, will not be look back. Most of them have contained them to do, and the cost cannot be trifling.

Yet the organizers are not men hastily to take hold of the plough and look back. Most of them have contained to the popular with the pop erans of Democracy. The Democratic ties, and all are

BENEFY MOURE.

MERFHIB, TENE, March II, 1871.

HAVING returned to Memphis, and reHaumed the practice of law, I announce to
my old triends and the public generally. Its
I have formed business connections at Washington, which enable me to offer my service
in the prosecution of all claims before the
Departments and the new Commission; aspointed to hear and determine claims of
loyal citizens. This business I solicie.
